

Punctuation Checkpoint!

Have you...?

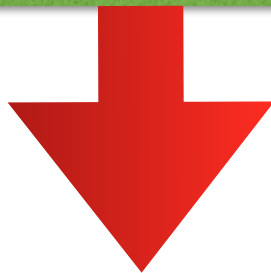

- Used different ideas?
- Used different verbs?
- Expressed an emotion?
- Asked a question?
- Tried to balance two ideas or show they're linked?

Then you should be able to see...

. , ! ? ; : - () ‘

Tick every time they appear - if you don't have at least three in a paragraph, there might be something missing!

Tick off each one as you use it - aim for variety!
